

Parents,

Welcome to the *Call to Faith* component of Generations of Faith! Several resources are available to you as primary educators of your children in the faith.

1. A *Call to Faith* textbook for children in Gr. 1-8. Children who attend Holy Cross Catholic School are using the School Edition; the text available for purchase through the parish is the Parish Edition.
2. *Call to Faith* eConnect, a website that provides resources and activities online for all who register for Generations of Faith. Materials on this website correspond to the topics found in the *Call to Faith* textbook. However, most of the eConnect resources will be useful even if the textbook is not purchased.
3. Home lessons for parents. These lessons – except for the seasonal lessons – are always available on the Call to Faith eConnect website. Households who do not have internet access will receive a printed version of these home lessons. The following lesson schedule may help households to pace themselves through the coming year.
